

Our Story

Sandwicho is based in Hyderabad, India. It's a restaurant that serves international cuisines; fusion foods like our signature mango panna cotta take center stage.

Along with our great food, we pride ourselves on having a great sense of humor; despite our restaurant being named Sandwicho, we are not just a sandwich place. We have a variety of different foods for customers to enjoy.

With our funky charm and family-friendly atmosphere, Sandwicho is truly a unique dining experience!
